The EuroCloud Europe Award Ceremony for 2011 is launched! We can tell you that we have a spectacular location in Paris for this event. So be sure to be there for the following reasons:

Contestants from 9 European countries strive for the award in the following categories:

Best Cloud Product
Best Startup
Best Cloud use case Private Sector
Best Cloud use case Public Sector

All possibilities to network and get in touch with the European nominees and winners

During the event we made sure that enough time is reserved for everyone to network. Not only local award winners from the European countries will be present, but also members from the local EuroClouds, the industry and politics. The perfect opportunity to get to know each other.

Learn more about EuroCloud from the board members present

Almost the full board of EuroCloud Europe and some coordinators from other countries will be present. The perfect opportunity to learn more about the EuroCloud Association.
